A portion of TDA regular dues is not tax deductible as an ordinary and necessary business expense due to the extent that TDA engages in lobbying. The non-deductible portion is 40%.

*Included in the annual membership fees greater than the "Student" level are dues and other benefits as noted as well as a \$25 donation to the TDA Political Action Committee (PAC). Only the \$25 contribution to TDA PAC is optional and may be deducted if not desired. This is a voluntary contribution, and a member will not be favored or disfavored by reason of the amount of the contribution or the decision to contribute.

Note: Contributions to TDA PAC are not deductible for federal income tax purposes.
